Moderation & Discussion

Provide a youth perspective in a meaningful way

Make policymaking more accessible

WSIS+20

Overall review of the implementation of the outcomes of the World Summit on the Information Society by the United Nations General Assembly

WHAT WE DID

- Written inputs: Elements Paper, Zero Draft, Rev 1, Rev 2
- Oral interventions at virtual stakeholder consultations led by the Informal Multistakeholder Sounding Board (IMSB)
- Bilateral meeting with IMSB members
- Joint letter: ~70 APAC youth leaders

OUTCOME

- Outcome document adopted by consensus, 17 Dec 2025
- Youth recognised as a stakeholder (Para 3)
- Youth as implementation partners (Para 119)

Youth-led. **Since 2009.**

2009
